First Aid**

In cases of sudden illness or injury to a student or staff member, first aid shall ordinarily be given by school staff who hold a first-aid card. Further medical attention to students is the parents' responsibility, or of someone the parents designate in case of emergency.

Each principal is charged with providing for the immediate care of ill or injured persons within his or her area of responsibility.

Staff members shall report self-administered first-aid treatment to an immediate supervisor.

In each school, procedures for handling health emergencies shall be established and made known to the staff. Each school and district vehicle shall be equipped with appropriate first-aid supplies and equipment. All employees are expected to know where first-aid supplies and equipment are kept in their work areas.

Designated employees in each building shall hold current first-aid cards. In compliance with Oregon Administrative Rules, each school shall have, at a minimum, at least one staff member with a current first-aid card for every 60 students enrolled or an emergency response team per building. Each team shall consist of no fewer than six persons who hold current first-aid and CPR cards and who are trained annually in the district and building emergency plans. Names of the designated employees shall be made known to staff and students.

**As used in this policy, the term parent includes legal guardian or person in a parental relationship. The status and duties of a legal guardian are defined in ORS 125.005 (4) and 125.300 125.325. The determination of whether an individual is acting in a parental relationship, for purposes of determining residency, depends on the evaluation of the factors listed in ORS 419B.373. The determination for other purposes depends on evaluation of those factors and a power of attorney executed pursuant to ORS 109.056.
