Management of Food Services

The district may provide food services for students and staff. Food services so provided shall comply with state and federal laws and regulations relating to such services.

The food service coordinator, under the supervision of the superintendent, shall be responsible for the direct management of the food services program.

All school employees, both licensed and classified, shall refrain from taking from the district any materials normally used or prepared in the district cafeterias.

In keeping with health department guidelines, only food prepared in an inspected kitchen should be available in the schools.
