Early Return to Work

Efforts shall be made on a case-by-case basis to return ill or injured employees to work. Returns shall be within the requirements of the injury, the limitations of the law, and the limitations of the district.

In the event an employee is not able to perform essential job functions completely after an illness or injury, the district shall determine whether reasonable accommodations are appropriate that would provide temporary light duty assignment, restructuring of job to include modified work days, shift or part-time work, hours of work or modifications in facilities, equipment, special aids, and services. Reasonable accommodations must not result in an undue hardship on the district.

If an employee cannot be reasonably accommodated in his or her current job, the district shall review alternative assignments. The employee, if qualified, shall be offered an available vacant position with or without reasonable accommodations. If no other assignment is possible, the district shall provide unpaid leave if recovery is ongoing and sick leave is exhausted. Unpaid leave shall be provided in accordance with Oregon law.

The district shall maintain current job descriptions for each position. Physical requirements for appropriate job categories shall be established.

The superintendent shall develop administrative regulations as necessary to implement this policy.
