Talented and Gifted Program

The Board is committed to an educational program that recognizes, identifies and serves the unique needs of the talented and gifted students. Talented and gifted students are those who have been identified as academically talented and/or intellectually gifted.

The superintendent shall develop procedures for identifying academically talented and intellectually gifted students K-12. The superintendent shall develop a written plan that identifies programs or services needed to address the assessed levels of learning and accelerated rates of learning of identified students. All required written course statements shall identify the academic instructional programs and services which shall be provided. Parents shall be informed of the identification of their child as talented and gifted, and have the opportunity to participate in developing an appropriate program.

Other students who demonstrate the potential to perform at the eligibility criteria, as well as additional students who are talented and gifted, may be identified.
