

## **Community Use of District Facilities**

Community groups will be permitted and encouraged to use district facilities for worthwhile purposes when such uses do not interfere with district programs. The superintendent will encourage the involvement of staff, parents and community in the development of guidelines for community use of district facilities. All such arrangements will be subject to the following provisions:

### **Eligible Organizations**

There will be three classifications of nonschool uses of district facilities. These classifications are established for the purpose of determining rental charges and other fees.

1. General: Use must be for purposes that are educational, charitable or of general community interest. Such events must be open to the general public with no admission charged or contributions taken. There shall be no basic charge.
2. Noncommercial: Private nonprofit or community clubs or organizations may use the facilities and be charged for operating costs provided no admission is charged or contributions collected.
3. Commercial: All business or commercial organizations which use district buildings will be considered under this group. Included will be community and locally-sponsored noncommunity groups requesting use of district facilities for fund-raising purposes which are not necessarily devoted to educational, charitable or community interest activities. Admission may be charged or contributions received. Groups of this nature will be charged in accordance with fees approved by the Board.

### **Use of District Facilities for Private Gain**

The use of district buildings and other facilities by any organization operating for private gain, or any purpose involving private gain, will be permitted only when:

1. Such use is sponsored by some organization which is not operated for private gain;
2. Such use will not benefit principally the organization operating for private gain;
3. A worthy educational, civic or charitable purpose will be served;
4. A substantial group in the community will benefit;
5. Alternate facilities are unavailable or available only at undue cost or inconvenience.

Such use of school facilities by district employees will be discouraged.

### **Rental Charges and Approval of Use**

All district facility rentals will be approved by the superintendent or his/her designee. Fees for the use of district facilities will be determined by the superintendent based upon the rental charges and personnel fees approved by the Board.

The superintendent will be responsible for specific building-use regulations, except special requests not covered by Board policy.

The Board expects the users to treat the facilities with respect. A *Building Use Request* form must be submitted by the person or group to the school office in coordination with administrators of the involved facility. The users must agree to all guidelines on the *Building Use Request* form. The original copy of the agreement will remain in the school office, with copies distributed to the appropriate building administrator, building custodial staff and facility user.

Requests must be resubmitted if the user desires to continue usage.

The superintendent will encourage the involvement of staff, parents and the community in the development of specific building-use regulations.
