Executive Sessions

The Board may meet in executive session to discuss subjects allowed by statute but may not take final action except for the expulsion of students and matters pertaining to or examination of the confidential medical records of a student, including that student's educational program.

Executive sessions may be held during regular, special or emergency meetings for any reason permitted by law. Final action on an item discussed in executive session will be accomplished in open session except for the expulsion of students.

The presiding officer will announce the executive session by identifying the authorization under ORS 192.660 for holding such session and by noting the subject of the executive session. Members of the press may attend executive sessions except for those pertaining to: deliberations with persons designated by the Board to carry on labor negotiations; hearings on the expulsion of minor students; examination of the confidential medical records of a student including that student's educational program; and current litigation or litigation likely to be filed if the member of the news media is a party to the litigation or is an employee, agent or contractor of a news media organization that is a party to the litigation.

A Board member may request and, with the consensus of the Board, require the presiding officer to convene an executive session for a purpose authorized under ORS 192.660.

If an executive session is held pursuant to ORS 332.061, the following shall not be made public: the name of the minor student; the issue, including the student's confidential medical records and educational program; the discussion; and each Board member's vote on the issue.

All executive session minutes shall be kept in written form.

Content discussed in executive sessions is confidential.
