Code: **GBE**
Adopted: 8/23/00
Readopted: 6/11/12
Orig. Code(s): GBE

Staff Health and Safety

The Board directs the superintendent to take appropriate means to provide for the health and safety of all employees while engaged in the performance of their duties. The input of staff will be encouraged in the development of district health and safety plans.

The superintendent will develop the district plan for dealing with hazardous chemicals in the workplace, This plan will include proper labeling, storage and disposal of all such materials.

The superintendent will develop districtwide training activities to deal with the use of hazardous chemicals. Training will include the identification, use, storage and disposal techniques needed to assure safety of staff and students.

In meeting the requirements of the law, all employees will be trained to recognize and respond appropriately to the presence of hazardous chemicals. All personnel who during the performance of their duties or in any foreseeable emergency may be exposed to hazardous chemicals will be so informed and will be trained to deal appropriately with these chemicals.

The superintendent will provide staff members with the MSDS (Material Safety Data Sheets), which must accompany any hazardous substance used in the school setting.
